

To our Area Businesses:

Exciting things are happening in the Blaine High School Baseball program. I am entering my fourth season as Head Baseball Coach of the Bengals and have already seen a great deal of progress with our program. We are entering 2009 with much excitement and are expecting to compete for a Northwest Suburban Conference title. There is a great group of returning starters led by 2008 Co MVP and All-Conference Selection B.J. Solomon. Other top returners include Sam Stark, Grant Larson, Chad Syverson, James Peterson, Ronnie Donley and Cody Puchalla. We play all our home games at the Blaine Baseball Complex located at Paul Parkway just off of Highway 65. Our Community has done an excellent job providing youth of all ages with a great baseball complex that is visited by thousands each year. We would like to ask for your support to help us purchase the additional things we need to get to the next level.

We are asking local businesses to advertise at the Blaine Baseball Complex and our main field by purchasing an 5 foot by 10 foot vinyl sign. By doing so your business will also get a free website link from our high school baseball website which is frequently visited. Many businesses have already done so, and our return rate is high, but we still have a lot of advertising space available.

Why advertise at the Blaine Baseball Complex and on our varsity field? Your sign will be viewed by thousands of people from Blaine and surrounding communities each baseball season throughout the spring and summer. Also, local cable television broadcasts a number of our high school and Legion baseball games each season, so an even broader range of potential customers can be reached. Our ballpark complex is used daily from early spring to fall and other summer high school programs play there as well including our 15 & Under Squads, Senior Babe, VFW and Legion teams.

With a \$300 donation (which includes the cost of the sign) your business is presented to many people through September. Your business will then only need to pay \$100 the following year to have the sign displayed at Paul Parkway, which is pointed out in the attached contract. You are also supporting your local high school and helping the baseball program. Additionally, The Blaine Dugout Club is a 501C3 organization so your support is fully tax deductible. We would like to get the ball rolling ahead of the season so we can have the signs hanging by the time our first games start in April. If you are interested, please call Tim Sukalski, Blaine High School Head Baseball Coach at (763)-506-6648 or Blaine Dugout Club President, Carl Nyberg at (763)-767-3655. If you cannot participate in advertising your business with us, but would like to make a donation to the program, your support is greatly appreciated.

We look forward to hearing from you and, as always, thank you for supporting the Blaine Bengals!

Sincerely,

Tim Sukalski
